

Top Ten Reasons

Why Nuclear Weapons Still Exist

10. Who needs schools, hospitals, day care, better roads, education, public housing, clean water, universal health care, solar power, crop supports, wind mills, disaster response, etc. etc. etc.?
9. Because the possibility of nuclear war encourages church-going and prayer!
8. Because bullets, shells, cluster bombs, phosphorus, landmines, grenades, mortars, IEDs, flame throwers, bazookas, torture, etc., etc., etc. don't kill you dead enough!
7. Because we have to keep up with the Soviet Union! (Oops!)
6. What if we want to have a REALLY BIG barbecue?
5. Suicide is more fun when everybody does it!
4. So we can still boss people around!
3. Without them Kim Jong Il would be selling fruit from a cart in Jakarta.
2. When it comes to wasting your money nuclear weapons give you more bang for your buck!
1. Because if we blew up the world today, the Phillies would be world champions forever!
